Earthquake in China kills 830,000. 1557 : The equals sign is first used by Welsh physician and mathematician Robert Recorde, who was tired of having to write 'is equal to' and decided on parallel lines as the perfect symbol for equality. Adding to his credit Recorde, also popularized the '+' sign to English. 1559, January 15 : Elizabeth Tudor, after surviving many attempts on her life, is ...
